

Increasing venue accessibility, utilization, and profitability.

PracticePlan allows facilities of all types to access a competitive marketplace with increased exposure and marketing. The platform allows sports facilities and other venues to be seen by area users, allowing the users to make practice venue decisions based on proximity, price, and availability.

Why Partner With PracticePlan?

Katie Kordel – Lovejoy ISD Superintendent

“PracticePlan has increased the effectiveness, efficiency, and profitability of Lovejoy’s facilities and rentals.”

Shawn Copeland – Spring Hill ISD Athletic Director

“I think the biggest thing is going to be time. This is going to allow us to do more. There was a big process that we had to go through to book our facilities, and now PracticePlan takes it all over.”

Kyle Herrema – Lovejoy ISD Athletic Director

“It has been a game changer for our school. So easy to use.”

No Cost to You

Our platform does not cost you a penny. No minimums, no contract. Just a great solution. Our fees come from the participants who use your facilities so you collect 100% of what you charge for rentals.

Our Platform

Streamlines Rental Process

- Giving your personnel more capacity to do the job they were actually hired for.

Collects Liability Insurance

- Stores it in the participants profile so that each time they rent, you see that they are fit for your space.

Provides Approval Control

- You can determine who accesses your facilities, how often, and at what times.

Monetize the Little Things

- The things that cost you time and money like net setup, extra lighting, more fixtures, security, access to restrooms, etc. You can make these add on options for any reservation!

Google Calendar Integration

- Integrates with your Google Calendar so you don't ever have to worry about internal double booking!
