

Resume Review Sessions

(Held on Tuesday)

The THSADA will be offering several Resume Review sessions for all State Conference attendees. This is an opportunity to attend a 30-minute session where you can engage the feedback from either an ISD Athletic Director or ISD Superintendent regarding the content and scope of your professional resume. This is a separate pre-registration but is included in your Conference registration. You will be assigned an administrator that is not in your ISD and that you will probably be unfamiliar with so that they can give you honest feedback and value on your resume.

These sessions are held on Tuesday of the Conference, and you will be assigned a time for the resume review to take place. These slots WILL fill up fast. We have been fully booked every single year. If you register and later find you will be unable to attend, please let us know immediately so we can open your slot to someone else. After registering, you'll receive an email with more information in the weeks leading up to the convention.

Mock Interviews

(Held on Tuesday - After Resume Reviews)

THSADA will be offering one-on-one interviews with a school administrator. Either an ISD Athletic Director or an ISD Superintendent or a District Administrator that conducts interviews within their normal scope of duties. This is a 30-minute session that will be conducted in the manner of an interview with the candidate being asked direct questions conducive to athletic administration.

If you register and later find you will be unable to attend, please let us know immediately so we can open your slot to someone else. After registering, you'll receive an email with more information in the weeks leading up to the convention.
